

TTC Agency

WOSB-CERTIFIED DIGITAL INFRASTRUCTURE & PUBLIC-FACING SYSTEMS FOR
PUBLIC-SERVING ORGANIZATIONS

Scan to learn more

About Us:

The TTC Agency is a Woman-Owned Small Business (WOSB) providing strategy-led digital infrastructure and public-facing systems for public-sector and publicly funded organizations. We specialize in modernizing digital intake, forms, and participation workflows. Helping programs reduce friction, improve accessibility, and operate more effectively.

We are SAM-registered with an active CAGE Code and experienced in supporting mission-driven organizations serving diverse public audiences.

Core Competencies

- Public-Facing Digital Intake & Application Systems
- Form Modernization (PDF → Web-Based, Accessible Forms)
- Website Modernization for Public-Serving Programs
- Workflow Automation & Internal Routing
- Accessibility & Compliance-Oriented Web Design
- Ongoing Digital Operations & Support

Past Performance:

Providing digital infrastructure, participation systems, and website modernization support for public-serving and mission-driven organizations managing public engagement, events, and program intake, including:

- Delta Sigma Theta Sorority Inc.
- Caring for Girls Academy Inc.
- Dominion Helping Hands Ministry Inc.
- Faith Youth Services Inc.
- St. Stephens Missionary Baptist Church

NAICS Codes:

- NAICS Codes
- 541511 – Custom Computer Programming Services
